I. Origin and Purpose

In order to guide the development of overseas Taiwanese businesses, connect with Taiwanese advantages, and assist in promoting overseas Taiwanese brands, the Overseas Community Affairs Council, Republic of China (Taiwan) (OCAC) conducted the selection and counseling activities of the Taiwan Prime Awards in 2021. It was expected to use the concept of common channels and overall marketing to drive the development of overseas Taiwanese brands, reduce costs in marketing and improve effectiveness, gaining a wide response. Therefore, the OCAC is planning to continue and hold the expanded Taiwan Prime Award in 2022.

II. Handling units

Advised by: Overseas Community Affairs Council, Republic of China (Taiwan)

Co-advised by: Ministry of Economic Affairs (MOEA)

Implemented by: Commerce Development Research Institute (CDRI)

Organized by: Taiwan External Trade Development Council (TAITRA)

III. Handling Regions

VI. Selection Procedure

1. Preliminary Selection

A. Written information review

For the content description form of product selection items and product related supporting documents submitted by the registered company, the Overseas Preliminary Selection Review Committee will review and score based on the four selection items of “Research and Development”, “Design”, “Quality” and “Marketing”, while “The link with Taiwan” will be a bonus item.

B. Product evaluation

The overseas preliminary selection unit will notify the registered company to send the registered product (physical finished product) to the designated place at the appointed time. Review committee may request the company to demonstrate on-site operation or give a briefing if necessary. All registered items must be submitted as actual products for evaluation, except for special circumstances (such as the impact of COVID-19 and other force majeure factors) or all types of items with a base area exceeding 200 cm x 150 cm. These items can be displayed via video or other alternative methods with the approval of the overseas preliminary election unit.

C. Review Committee

The overseas preliminary selection unit invites representatives of various local chambers of commerce, and economic division and overseas compatriot affairs divisions of ROC missions, TAITRA staff, scholars and experts to form an overseas preliminary selection review committee of 9 or more members. In principle, the overseas primary selection review committee invites the representative (or director) of the local ROC mission to serve as the chairman, and selects the shortlisted “Taiwan Prime” products

D. The maximum numbers of products for Taiwan Prime

submitted by each overseas preliminary region is 5 pieces.

2. Final Selection

A. Written information review

- (1) Within the time limit of the notice by the executive unit, the shortlisted company of “Taiwan Prime Award” shall hand in a 5-minute film for introduction, including the company profile, product introduction and award-winning achievements, etc.; and the film should be accompanied by Mandarin narration or Mandarin subtitles to facilitate the written review operation.
- (2) The representatives of the OCAC and the Review Committee of Taiwan Prime and the representatives of the executive units shall review the information provided by the shortlisted companies in “Taiwan Prime Award”, and provide written review opinions to the shortlisted companies and request reply in a limited time, in order to facilitate the comprehensive assessment and recommend of The Final Selection for 30 elites.

B. Product evaluation

- (1) The executive unit will notify the overseas preliminary selection unit to send the physical products of the shortlist that have entered the final selection to the designated place for evaluation within the specified time, except in special circumstances (such as the impact of COVID-19 and other force majeure factors) or all types of items with a base area exceeding 200 cm x 150 cm. These items will be able to be displayed via video or other alternative methods with the approval of the overseas preliminary election unit.
- (2) The executive unit shall compile all the written review materials and the review opinions of the overseas preliminary selection unit, then provide the Taiwan final selection committee for reference.
- (3) The executive unit will provide the reference by the overseas preliminary selection committee and the Taiwan final selection unit

with the general opinions on the advantages and suggestions for improvement of the award-winning products to the registered companies.

C. Review committee

The executive unit shall invite the OCAC, Ministry of Economic Affairs, Taiwan External Trade Development Council, representatives of local chambers of commerce, scholars and experts to form a review committee consisting of 9 or more members to conduct the final election.

3. Selection criteria

“Written information evaluation” accounts for 50%, including “Research and Development” for 15%, “Design” for 15%, “Quality” for 10% and “Marketing” for 10%. An additional “The link with Taiwan”, will be a bonus item, adding up to 5 points. Product evaluation accounts for another 50%.

5. Flow Chart of Selection Process

VII. The reward

1. For the finalists of the “Taiwan Prime Award”, each one will be issued a certification.
2. The maximum numbers of Golden Award for “Taiwan Prime Award” will be 10 pieces., If products that do not reach the Golden Award standard, the award will not be awarded; the maximum numbers of golden and Silver Award will be 20 products, and each product will be awarded with a trophy and a certification, and is able to receive counseling and promotion services.

VIII. Counselling and Promotion

The OCAC will handle public awards activities, award certifications, trophies and certificates of merit, and set up a special area on the homepage of the OCAC official website to utilize resources such as Facebook, OCAC News, YouTube and various activities to assist in the broadcast of various award-winning product films and widely promote them domestic and abroad. In addition to the possibility of receiving relevant information published by Taiwan-friendly Mandarin media, each award-winning product may also obtain various counseling and promotion services:

1. The project of the Overseas Credit Guarantee Fund will provide a guarantee for loan up to 70% of the funds required for the promotion plan, the maximum budget is US\$2 million per case, and the guaranteed percentage (50% to 80%) will be approved case-by-case.
2. Well-known accounting firms in Taiwan will provide audit, taxation, financial and other related consulting services, with 5 hours for golden award winners and 2 hours for silver award winners.
3. TAITRA will provide award-winning companies with free brand coaching course resources.
4. Innovative Counseling and Promotion
 - A. Online digital curation: Different from traditional physical exhibitions, the “Digital Pavilion of Taiwan Prime” will be a

virtual exhibition room, presenting brand and product characteristics through life situations and application scene, and creating immersive experience situations.

B. Digital community marketing: According to the product characteristics of overseas Taiwan companies, carrying out digital advertising to improve brand and product awareness.

C. E-commerce transformation consultant: For e-commerce platforms and brand operations, plan advanced courses such as membership management, and provide 4 hours for Golden Award winners and 2 hours for Silver Award winners.

IX. Notice

1. The company's registered products and attached information shall bear all legal responsibilities if they are false, untrue or infringe on the intellectual property rights of others such as trademarks, patents, and copyrights.
2. The winner must uphold the principle of good faith to provide correct information, if there is a false situation, or copying and counterfeiting, in addition to the disqualification of the winning manufacturer, government funding shall be recovered, and compensation for damages may be requested.
3. All application materials will be destroyed after the selection results are announced and will not be returned to the company.
4. The guiding unit reserves the right to adjust the content of the selection instructions according to the situation; the executive unit shall make a public announcement at any time after revision, and if there is any doubt, the executive unit has the right of interpretation.
